### **Invitation**

### **2<sup>nd</sup> Meeting of the Praia Group on Governance Statistics**

**Paris, 4-6 July 2016**

Dear Praia Group Member,

The Praia Group has the honor to invite the focal point of your institution to the 2<sup>nd</sup> Meeting of the Praia Group on Governance Statistics to be held in Paris, from 4 to 6 July 2016. The meeting will be hosted by the Organisation for Economic Co-operation and Development (OECD) and The Partnership in Statistics for Development in the 21<sup>st</sup> Century (PARIS21).

The Praia Group on Governance Statistics Roadmap for 2016-2020 was approved by the 47<sup>th</sup> Session of the United Nations Statistics Commission in March 2016. The Praia Group was invited to present a Roadmap of its work to the UNSC 49<sup>th</sup> Session.

In order to operationalize the activities included in the Roadmap, it's necessary to discuss and identify the individual member's role in the several activities and tasks listed. The Praia Group has experienced a certain delay in execution of activities, and in order to accelerate the process it's crucial to involve in the work all of its members.

Members will be requested to focus on the different activities and tasks including Draft zero of the questionnaires necessary for conducting "A mapping, critical assessment and synthesis of available instances of the conceptualization and measurement of governance by various countries and continents, research institutions, agencies of the United Nations system and other actors using different approaches" and a "Mapping of the demand for governance statistics by various user constituencies, such as policymakers, parliamentarians, national human rights commissions, national anti-corruption commissions, national security systems, civil society organizations, research institutions, citizens and international and regional bodies concerned with governance".

The Praia Group has already identified the members that will be engaged in the SDG 16 Working Groups, and the 2<sup>nd</sup> Meeting of Praia Group on Governance Statistics will be an opportunity for the members to discuss the metadata sheet that should be presented to the IAEG-SDG.

#### **Expected outcome documents:**

1. An initial draft of the concept of governance and its dimensions.
2. Approved Handbook structure.
3. Approved Praia Group Workplan.
4. Draft zero of the metadata sheet for the SDG 16 working groups.

## **First day arrival**

On arrival, you must register at the Reception desk of the OECD Conference Centre to obtain your visitor's badge. You will need to bring photo identification with you to receive your badge. All badges will be printed and waiting for you. These badges will give you access to specific areas during the time and dates of the workshop.

Please arrive well in advance of the start of your meeting to allow sufficient time for the security and registration formalities. Delegates can start to arrive from 8:30am and we suggest no later than 8:45am, especially on Day 1.

For security reasons, you must wear your visitor's badge at all times. Badges must be handed in upon departure. A box is provided for this purpose at each exit.

## Internet access

Visitors can use a free Wi-Fi service called "HotspotOECD" within the Conference Centre, as well as "cyber café" facilities such as PCs and printers. Please see full procedure below:

### WiFi ACCESS IN THE OECD CONFERENCE CENTRE

Visitors to the OECD can use a free WiFi service in the Conference Centre and in the Chateau.

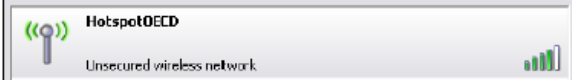

### HOW TO CONNECT

- Activate Wi-Fi on your Laptop. The following icon will appear on your taskbar:
- Right-click on it and choose "View available Networks". Select "HotspotOECD" and click on **CONNECT**.

### Choose a wireless network

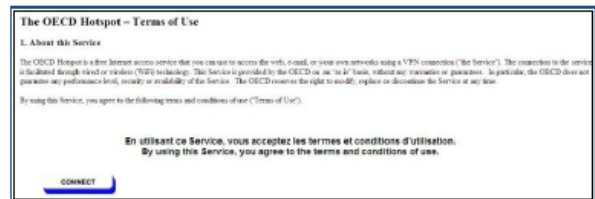

Click an item in the list below to connect to a wireless network in range or to get more information.

- Once you see the following signal on your taskbar,

launch your Web Browser, e.g. the Windows Internet Explorer  to access the Hotspot Welcome page:

- Click on **CONNECT** to indicate that you agree with the OECD Hotspot terms of use.

You are then connected to the Internet and your browser window displays the home page of the OECD web site.

**Caution:** You are directly connected to the Internet, and your Wireless connection is not encrypted. It is highly recommended that you login to your secure enterprise VPN.
